Hey Hedgehog, did I ever tell you about my family? My family is very nice. I have a father. My father is fifty years old. I have a mother. She is also fifty years old. I have a stepmother. She is the girlfriend of my father. She is fifty-five years old. I have one little brother. But well, he is not little. He is 26 years old. I have a lot of aunts and uncles. And of course cousins. My grandfathers and my grandmothers are all dead. I don't have any grandfather and any grandmother left, unfortunately. So my family is quite

small right now. But well...and I have a girlfriend. So one day I will have a family with children and a wife. Interesting, isn't it?
