And I have teeth. Do you have teeth? No, no even one tooth. Why not? You don't need them. Aha. So...that was about our faces. Very interesting! Next time we talk about the rest of the body. Say goodbye!

This is my body. With the ears I hear. With my eyes I see. With my nose I smell. With my mouth I breath. With my teeth I chew. With my arms I dance. With my hands I grab. With my fingers I point. With my belly I digest. With my legs I walk or I run. And with my feet I stand. So this is my body and you can do a lot of things with your body. That's very cool.
